

Property Values In District Show Huge Annual Gain

Assessed valuation of secured and unsecured property in the fifth supervisorial district showed an increase of \$531,290 for 1962 compared to 1961, according to a report given the board of supervisors by County Assessor Charles R. Kitts.

Of this total, Kitts said \$272,420 is on the secured roll and \$258,877 on the unsecured roll. This brings the assessed valuation in the district to \$531,290, plus the utilities which are assessed by the state board of equalization. Last year utilities were assessed at \$3,794,920 in the fifth district and this would make a grand total of \$9,432,350 in assessed valuation of the fifth supervisorial district.

A summary of the 1962-63 assessment roll for the county reflects a healthy increase of \$2,141,250 in assessed value, Kitts reported. The grand total of assessed values in the county was given as \$28,038,190, with \$20,534,000 being outside the incorporated cities and \$7,504,190 inside cities, plus utilities.

The board of supervisors will be meeting this month as a board of equalization and at the first meeting in August will adopt the final budget and set the tax rate.

It is indicated that an increase of somewhere between 10 and 15 cents will be required to meet the budget tentatively set for 1962-63. This will make the rate in the neighborhood of \$2.30 or \$2.35 per \$100 assessed valuation.

Employment Office Opens Here July 16

The state department of employment will resume its itinerant service to Truckee starting July 16, James L. McLanahan, acting manager of the Auburn office announced this week.

The service, which has been provided at Tahoe City during the spring months, will be continued here every other week, McLanahan said.

Those having business with the department will meet in the hall above the fire station in Truckee between 9 a. m. and 2 p. m. every other Monday.

SODA SPRINGS WOMAN DIES AFTER ILLNESS

The body of Mrs. Patricia Osgood, 76, who expired here Monday morning following a brief illness, was shipped to Milbrae for funeral rites by the Truckee Colonial Mortuary.

Mrs. Osgood was a native of California, born March 26, 1886. She and her husband, Howard, were occupying their summer home at Soda Springs when she was stricken. Besides her husband, the deceased leaves one daughter, a sister and a brother.

MUELLER WILL HEAD LAKE TAHOE LIONS

KINGS BEACH—At ceremonies held at Crystal Bay last week, Art Mueller was installed as president of the Lake Tahoe Lions Club, succeeding Bob Daneri.

Other new officers include Speed Hansen, lion tamer; Kenny Oelrich, tail twister; Red Waddell and Ernie Crawford, directors. New officers were installed by Harry Barnes, deputy district governor of Nevada and ladies night was held in connection with the installation.

PLACER CLAIMS BIG SQUAW TAX IS DUE

AUBURN — County Treasurer and Tax Collector F. Earl Corin said the Squaw Valley Improvement Corporation now owes the County \$99,591 in taxes.

Corin stated he is billing the corporation, headed by President William Newsom, for \$35,978 for taxes on state owned land and improvements at the Olympic Winter Games site. He said this amount is due by August 1 and is for the 1962-63 year.

DONNER IS LEASED TO TRIO FROM STOCKTON

After 29 years in the Donner Hotel, Pete Lazzeri announced last week that he is leasing the establishment to Mr. and Mrs. Juan J. Mintegui and Angel Sabala, all of Stockton and will retire from active work.

The newcomers will specialize in Basque and Italian food in the dining room.

Lazzeri said he and his family are planning a trip to Italy sometime in the future.

At Homewood—Mrs. Josephine Miller has arrived from San Francisco to spend a summer in the sun at Homewood.

FBI Enters Probe Of Stolen Meter At Silver Creek Camp

The federal bureau of investigation is assisting forest service officials and Placer County sheriff's deputies in tracing the thief who last Thursday night stole the meter box at the Silver Creek camp grounds on Highway 89 between here and Tahoe City.

Forest Service Ranger George Steed reported the two-inch iron pipe which held the meter off the ground had been expertly cut with a sharp pipe cutter.

The meter, which was valued in excess of \$300 contained some \$7 or \$8 and had \$30 worth of tickets.

A new meter was installed but more precaution was taken against theft. It now stands on a six-inch iron pipe inside of which is a two-inch pipe encased in concrete.

Building Permits Set Local Record

Building permits totalling \$159,561 were issued in the Truckee, Donner Lake and Summit area during the month of June, Deputy Building Inspector Jack Bergman reported. Most of the permits were for new homes, small businesses and alterations.

Fees received during the month in this area totaled \$1,376.50, Bergman said, in noting that June was one of the busiest building months since the inspector's office was established here.

WORK NEAR FINISHED ON TAHOE HIGHWAY

KINGS BEACH—Settlement of the laborer's dispute with Northern California contractors resulted in renewed activity on North Lake Tahoe's Highway 28, a part of the California State system.

Although Madonna Construction Company had settled with the unions in early spring and had thus been able to continue major excavation and placing of roadway base material; work on the final phase, paving the new roadway, could not be started until the strikes end.

Just one day after the settlement was announced, this final phase was started and Orville Beeman told the Lake Tahoe Sierra Chamber of Commerce that by mid afternoon of that day he had paved nearly one mile of the remaining 3½ mile section of oiled roadway.

Madonna crews have worked six and seven-day weeks, all with 12 hour shifts, to hasten the completion of the project before July 1. "Though this much sought deadline will be narrowly missed," a chamber of commerce spokesman remarked, "we are happy to have the end of construction on this state around the north end of Lake Tahoe in sight."

CHILD IS INJURED IN ACCIDENT ON STREET

Shane Smisek, three year old son of Mr. and Mrs. Leo Smisek of East Main Street, suffered only minor injuries Tuesday afternoon when he was struck by a car while playing in the street near his home.

The driver, Sergeant Roy Waters of the sheriff's department told Patrolman Bud McCallen, who investigated, that he was coming to a stop near the jail when the child suddenly dashed in front of the vehicle.

ASSUMPTION GUILD SALE IS ANNOUNCED

Mrs. Marie Reichlin this week announced that the Assumption Guild rummage sale, postponed from last month, will be held July 19, 20 and 21 at the Sierra Appliance Service store on the main street in Truckee.

Anyone wishing to contribute to the sale with usable items may have them picked up by calling either LU 7-3781 or LU 7-3782.

MEET POSTPONED

The regular meeting of the Truckee Sanitary Board scheduled for July 3 has been postponed until July 10 and will be held in the office of the justice court, Clerk Jack McGlade announced.

At Fremont—

Mr. and Mrs. Joe Mattos, long time Truckee residents are now staying at Fremont.

Edmunds Again To Head Planners As Ordinance Asked

Cecil Edmunds of Truckee was re-elected chairman of the Nevada County Planning Commission last week during a meeting in which the commission adopted a resolution by a vote of 7 to 0 approving the Nevada County subdivision ordinance.

Mrs. Melva Hillier was re-elected vice chairman of the commission and Edith Prestenback, secretary. Director of planning is William Roberts.

The commission planned to have the proposed subdivision ordinance presented to the board of supervisors at Monday's meeting but Chairman H. G. Loehr of the supervisors, said copies were not available at that time and no action was taken. It is possible, he said, the board can consider the draft at the meeting July 16.

The supervisors requested the planning commission to prepare and submit a draft of the subdivision ordinance in 1959. Since that time it has been discussed by commission members in 25 of 27 meetings, with interested groups pro and con invited to meet with the commission to offer suggestions.

The supervisors, after studying the proposed ordinance must call public hearings before it can be adopted.

Warning Is Issued To Boat Violators

Sergeant Roy Waters of the sheriff's department this week warned boat operators on Donner Lake that violations will not be tolerated and that citations will be issued to those who do not conform with the rules and regulations.

The announcement followed reports that frequent violations are noted, particularly in the beach areas where water skiers and swimmers are endangered. One of the most frequent violations, the officers report, is speeding close to beaches and water skiing without an observer.

Arnold Verdi of the marine patrol has made his boat available and Waters said the entire lake area will be closely watched, especially during weekends.

TOM HOFFMAN WILL LEAVE AGENCY HERE

Tom Hoffman, for the past two years associated as a partner with Fred Pesterson and Robert Seawell of Roseville in operating the Tahoe Truckee Agency, has sold his interests to his partners and is leaving for Los Angeles to engage in the insurance business.

Seawell and Pesterson will continue to operate the local office and in the near future will select a district manager.

Hoffman and his family have been active in community affairs at Kings Beach and their leaving will be sincerely regretted by their many friends throughout the area.

WORK IS STARTED ON FREEWAY NEAR VERDI

Construction of a 4½-mile segment of Interstate 80 between the California State Line and a point east of Verdi will result in no interruption of traffic on present U. S. Highway 40, according to the contractor and state and federal highway officials.

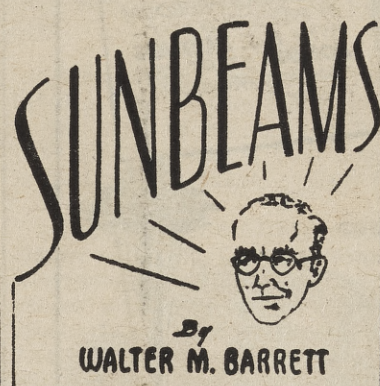

Clearing for construction started last week, and the prime contractor, Isbell Construction Co. of Reno, has 400 days to complete the job.

OUT OF HOSPITAL

C. B. White, well known resident here for many years, is recuperating at his home, following a recent illness which required a stay of several days at Tahoe Forest Hospital. Mrs. White said her husband showed improvement yesterday and wishes to thank their friends for their many inquiries concerning his health.

Lions Golf—

Victors in the recent annual one golf club game of the Truckee Lions Club, played at Ponderosa Golf Club were Lauren Russell and guest Robert Leamon, Ange Besio won the hole in one contest, at the same event.

WALTER M. BARRETT

It would be difficult to determine exactly how many lives have been saved and how much suffering has been eased because of the existence of the Tahoe Forest Hospital. We know the number would be astounding. Those of us who were in the district before the hospital was built can recall the numerous fatalities which were recorded as seriously ill or injured people were being taken to medical attention at distance cities. At the time it was erected, the hospital was adequate for its requirements and for many years has served its purpose well. Now, however, because of its very effectiveness and due to the growing demands, the time for expansion and modernization is overdue.

The hospital, although largely self-supported, will need \$950,000 for the essentials to bring it up to present-day standards and provide for future growth. The governing board will present this request to the voters July 17 and if approved bonds will be sold to do the work needed. Individual costs will run about 25 cents a \$100 on the tax bill, far below what might be expected and certainly a low price for the benefits and protection to be provided.

Felte Named Head Of School Board

Jack Felte of Kings Beach was re-elected president of the governing board of the Tahoe Truckee Unified School District at the reorganization meeting held Friday.

Other officers re-elected included Gordon Moyer of Tahoe City, vice president and Mrs. Hilda Hintz of Truckee, clerk.

Although the board discussed future needs for the school plants, no action on a proposed second bond issue was taken. Some official action may be taken at the next regular meeting of the board on July 10.

LAKE FRONT LAND IS BOUGHT AT TAHOE

The historic Moana Villa property, original site of one of Lake Tahoe's earliest resorts, has been sold and will be developed for home sites this summer, according to Robert Culpepper, Sacramento real estate broker.

Culpepper handled the sale for both the buyers and the sellers.

The property includes a 1000-foot shoreline on the waters of McKinney Bay near Homewood. A new subdivision, Moana Beach, will be divided into 33 lakefront lake-view and streamside lots.

Buyers are Donald F. Williams Tahoe real estate developer and Robert L. Harmon, San Francisco attorney. The selling price was undisclosed.

NEVADA STUDENTS REGISTER AUGUST 15

RENO—Students who plan to attend the University of Nevada during the 1962 fall semester, have until August 15 to file admission applications.

The university admissions office announced today that all new students, undergraduates and graduates, should submit all credentials on or before August 15. This includes completed application forms with a \$5 application fee, official high school or college transcripts, and the results of a medical examination.

June Dates—June 30 was anniversary time for Mr. and Mrs. Lauren Russell. Two days earlier Russell celebrated another birth date.

Tonsils Out—Diane, daughter of Mr. and Mrs. Zeph Rose underwent a tonsillectomy at Tahoe Forest Hospital.

Dolley's Day—Tom Dolley celebrated his birth date the first of this month, feted by his family.

Summer School To Open Monday As Courses Revealed

Classes at the Tahoe Truckee High School summer session will start Monday, July 9, at 8:15 a. m. The summer session will be held for six weeks from July 9-August 17. Classes will start at 8:15 a. m. and will be excused at 12:30 p. m.

Due to the concentrated nature of the courses, enrollments will not be accepted after July 10.

The following courses will be offered:

English composition and literature, beginning and advanced mathematics, typing, and foreign languages. The foreign languages offered on a conversational basis will be Spanish, French and German. As this summer session has been authorized by the state department of education, credits earned may be counted toward high school graduation.

According to state law, students who are enrolling from districts other than the Tahoe Truckee Unified District will be required to show evidence of polio immunization. Such evidence must be either a written statement from a school district or a written statement from a doctor.

The Truckee Elementary School will start their summer session classes on the same day for children who were in grades 3 through 7. The elementary classes will start at 8:30 a. m. and will be dismissed at 12:30.

Teachers in the summer school include Mrs. Barbara Grimm, typing and business education; John Vick, foreign languages; Miss Rosalie Moniz, composition and literature; Miss Susan York, mathematics, using the SMSG system, a new approach to mathematics, being tried locally for the first time.

Principal Harold Drummond is in charge of the summer school classes.

Wanted Car Thief Nabbed By Patrol

Henry Donohue, 25, Denver, was being held in jail following his arrest Tuesday on a charge of driving a stolen car across a state line. Yesterday he was being questioned by federal bureau of investigation officers and the California Highway Patrol.

Donohue, who has a criminal record, was arrested by Patrolman Robert Horton, Carroll Maynard and Nick Comola near the old airport following an all points bulletin from Reno advising that Donohue had stolen a car there and was heading west.

LARGEST MARLIN TO BE ON DISPLAY SOON

TAHOE CITY — Residents and visitors in the Lake Tahoe area will soon have a once in a life time opportunity to see the world's largest blue marlin. This giant fish was caught by a Tahoe resident, Dan Hauserman, on a recent trip to Hawaii, and to celebrate the event the Corpus Christi Parish is going to have a Hawaiian style "Marlin Party."

The event will be held on August 12 at the Hauserman residence, one mile south of Homewood. There will be boat rides on the lake, exhibitions of Hawaiian dancing, and refreshments booths for adults and for children. A buffet dinner will be served between 7 and 9 p. m., with dancing afterwards to the music of a live combo.

Admission to this exciting event will be \$2.50 per persons.

To Canada—Mrs. Walter Bigelow has written to her friends here that she has been on a trip to Canada with Mr. and Mrs. Campbell, neighbors at Auburn.

To Morro—Sherman Green, formerly of Truckee, recently changed his address from Vallejo to Morro Bay.

Receive License—Lawrence O. Taylor and Mary Ann Cowdin of Tahoe City were issued a Nevada marriage license.

The C. W. Wood family of Los Altos motored to Donner Lake last weekend.

Tahoe Gates Open First Time; Water Flow Is Maintained

The Truckee River headgates at Lake Tahoe were opened for the first time this week to maintain the required 500 cubic feet per second flow in the river.

Federal Watermaster Claude Dukes said the gates were opened to allow 35 cfs to enter the river after the flow at Farad dropped below 500 cfs.

He said he will continue taking water from the lake at an increasing rate until the lake flow reaches the maximum. Then he will begin tapping Boca Reservoir, which is now "brimful," he said.

Dukes said the level of Lake Tahoe is at an elevation of 6,255.92 feet above sea level, or about 23 inches above the actual rim of the lake.

"I don't know when we will reach the capacity of the lake to satisfy downstream needs," he said, "but it should be sometime in July. Then we will begin taking water from Boca to maintain river flow."

He said Lake Tahoe reached its highest point of the year on June 13, when the elevation was 6,224.45 feet. Last year it reached the legal rim, 6,223.0, on October 25. However, lake flow continued until it reached an elevation of 6,222.87 feet.

The low point of the year was reached January 19, 1962, when the elevation dropped to 6,222.58 feet.

Convention Bureau Plans Are Studied

First steps in a plan to organize a convention bureau embracing Squaw Valley, North Lake Tahoe and Truckee-Donner were taken at a meeting in Squaw Valley Saturday attended by a group of civic leaders, chamber of commerce officials and local business people.

Representing the Truckee-Donner chamber were Ivan Tofft and Francis Longo.

It was tentatively planned to form a region-wide organization with membership fees based on the number of accommodations available. A corps of officers will be named and efforts made to bring conventions to the area.

It was stressed at the meeting that already at least 20 various groups have made reservations for conventions, many of them small, but some numbered in the thousands.

Future organization meeting will be called.

NEW SIGNS GOING UP FOR LITTLE LEAGUE

The Truckee - Donner Little League ball park is taking on a major league appearance these days with the installation of a new board fence, with local advertising displays.

General Manager Richard Higgins said that approximately 20 local businesses have contracted for the signs which are designed to raise money to take the Little Leaguers to San Francisco for a major league game and to provide funds for new uniforms and other essentials. The signs are 4x8 plywood and will sell for \$30 each, Higgins explained.

DOUG BAXTER HURT IN MOTOR ACCIDENT

Douglas Baxter, Jr., 18, Kings Beach, suffered severe injuries Sunday morning when a new motorcycle he was riding skidded and overturned near his home. He was brought to the Tahoe Forest Hospital by Truckee ambulance and later removed to Washoe Medical Center for specialized treatment for a bad wrist injury.

The highway patrol said Baxter, who was prominent in high school activities before his recent graduation, was inexperienced with the vehicle and this resulted in the accident.

AT RANCH

Mrs. J. E. Joerger, accompanied by her daughter, Mrs. Betty Wolvert, of Fresno, arrived for a stay on the Joerger ranch. Miss JoDe Wolvert, granddaughter of Mrs. Joerger is taking a summer course at the University of Nevada, a student in southern California.

Parade, Art Show Big Attractions For Celebration

It was unfortunate there were not at least 20 awards to be given for participants in Truckee's first Fourth of July parade and celebration in many years.

The mile-long parade, featuring more than 40 entries, was handled efficiently and with dispatch and attracted hundreds of viewers who were vocal in their appreciation of the efforts of the participants.

Jackie Jensen, operator of the Ponderosa Golf Club and nationally acclaimed athlete, was marshal of the parade which was organized and conducted by the Truckee-Donner Horsemen in a style well worthy of a much larger community. Frank Snyder, James Sampson and Gene Stark comprised the committee in charge of arrangements.

Starting at the elementary school, the parade traveled east through Truckee and disbanded at the school administrative offices. The only marchers were members of the American Legion color guard, Bud Owens, Lloyd Everett, Mose Dutton and Major Edwards.

The Awards

Among the 40 entries — first prize, a valuable picture, was given the Truckee Donner Horsemen for their entry in the parade and in other categories, the following awards were given: commercial, the Capitol; individual horsemen, Kay Denner; horsemen in pairs, Eve Popovich and Betty Kiehlhofer; horsemen in families, Dr. H. P. Tapia and family; floats, Truckee Rotary Club; junior group, future queens sponsored by Loynd's Truckee Drug; junior individuals, Sherry Borden and Sarah Van Sickle; miscellaneous, 1915 Cadillac driven by John Nisbet.

The main street during the afternoon was literally blocked as hundreds of people milled about admiring the Jolly Art Exhibit along the street where the talents of scores of local and visiting artists were displayed. Many of the pictures were acclaimed by critics as "excellent" and all were better than average.

The Jolly Art Festival continues today and tomorrow for participants and spectators, all enjoying surprise entertainment while taking part in the three-day event.

Jay Spracker, noted organizer will be heard in a number of selections. Rafael Jolly, well known artist, has donated a painting of Squaw Valley to be awarded at 8 p. m. tomorrow evening and the artist whose picture is voted by the public to be the most popular, will also receive an award.

McGLADE TELLS NEED OF HOSPITAL BONDS

TAHOE CITY — J. J. McGlade, administrator of the Tahoe Forest Hospital spoke before the luncheon meeting of the Tahoe Rotary Club at Tahoe Inn Tuesday. Marshall Rukhala presided at the meeting.

McGlade discussed the needs for expansion and improvement of the hospital, stressing the growth of the area and the increasing demands on the local facilities. He called attention to the forthcoming bond election when the voters of the district will be asked to approve the \$950,000 issue to provide for immediate needs and for future facility developments.

TAHOE GUILD PLANS SALE AFTER MASS

TAHOE CITY—On the morning of Sunday, July 8, donuts and coffee will be served after each Mass at Corpus Christi Church in Tahoe City. This sale is sponsored by the Corpus Christi Guild of Tahoe City and Squaw Valley. Homemade cakes, pies and cookies will also be on sale, in addition to donuts to take home.

The times of the Masses are 8 a. m., 9:30 a. m. and 10:30 a. m. The sale will not be held after the 5 p. m. Mass in the evening.

FINED \$105

Stanley M. Amtoff of Truckee was fined \$105 when he appeared before Judge F. W. Wilson Saturday charged with breaking a seal on an electric meter after it had been sealed off by the Truckee Public Utility District. The complaint was signed by Francis Longo, manager of the district.

NO LICENSE

Anne E. Lofholm of San Francisco posted \$25 bail when she appeared before Judge F. W. Wilson last week on a charge of fishing without a license. She was cited by Game Warden Charles Spillner.

Kitts in Parade—

County Assessor Charles Kitts, attired in his Clamper regalia, was part of one of the units in yesterday's parade. He was accompanied to Truckee by his son and daughter in law, Pvt. and Mrs. Gary Kitts.

FALLOUT SHELTERS IN STATE STUDIED

SACRAMENTO—Phase II of the national fallout shelter survey, marking and stocking program is now underway in California. Phase I, during which existing buildings and other facilities suitable as fallout shelter were located by private architectural and engineering firms, has been completed.

Director Allan K. Jonas of the California Disaster Office, said that the second phase of the national program, which continues under the auspices of the U. S. Army Corps of Engineers and the navy's bureau of yards and docks, will consist of the following:

1. Architect-engineer teams will make detailed studies of space, habitability, and other factors in

suitable buildings identified in Phase I;

2. Owners of buildings have not yet signed license forms permitting their use as shelters will be asked to do so;

3. Shelter use plans for individual group shelters will be prepared;

4. Shelters will be marked with black and yellow signs;

5. They will be stocked with food, medical supplies, and other equipment.

The federal government has indicated that Phase II is expected to be completed by December 31.

Latest returns from the federal government on the status of the program in California indicate that approximately one out of six Californians can now be sheltered in existing buildings.

BANK OF AMERICA GAINS ARE SHOWN

Loans and deposits, barometers of Bank of America's earning potential, showed major gains during the first six months of 1962.

In the bank's statement of condition for June 30, President S. Clark Beise reported total loans outstanding of \$7,193,994,949, an increase of \$683,407,303 during the past 12 months, and a gain of \$366,385,370 since the end of the year.

"This six-month increase alone is greater than that recorded for all of 1960 and 1961," Beise said. Paralleling the loan rise, total deposits of \$11,533,063,540 were \$908,791,623 greater than a year ago.

Beise reported net operating earnings, reflecting the added cost of higher savings, interest rates, were \$38,653,656 for the first six months of 1962 or \$1.36 per share on the 28,480,000 shares outstanding. This compares with \$41,969,181, or \$1.4 per share for the first half of 1961.

DIPLOMATS FEATURE NEVADA LODGE SHOW

The Diplomats, who for more than 20 years have entertained audiences of radio, television, recordings and the top supper-clubs throughout the United States and Canada, are now appearing in the Theater-Lounge of Nevada Lodge on the north end of Lake Tahoe.

This remarkable group will present their delightful combination of distinctive vocal stylings and instrumentals that range from folk tunes to pop favorites generously sprinkled with bits of hilarious comedy through July 10 for the guests of Nevada Lodge.

CENSUS REPORT FOR COUNTY SHOWS BIG NUMBER OWN HOMES

A census report from the department of commerce at Washington, D. C., reveals there are 9,184 housing units in Nevada County.

Of these 6,704 were in sound condition with all plumbing, 7,430 were occupied, with 4,946 being occupied by owners.

The median value of the owner-occupied places was \$10,600.

Of the 2,484 homes occupied by renters, the median gross rent was \$65.

That most of the homes in the county are nearly modern was indicated in the fact that 8,581 had hot and cold running water, 8,517 had flush toilets, 8,467 had bathtub or shower.

There were 6,159 homes with television and 5,877 with tele-

Toronto, Canada and last year assisted with the swim program conducted by the Sierra Nevada Red Cross Chapter for the children of the Tahoe Truckee schools.

Also a ski instructor at Squaw Valley, Huelle was awarded the silver medal of the Canadian YMCA in 1960 "for service to youth."

and YOU, too, will really be COOKING With GAS!

Our little blushing bride blushed because her stove was the saddest sight in seven states. Small wonder. She used to cook on a so-called "flameless" (but not blameless) range. Boil-overs, caused by Hangover Heat, were a constant problem. Poor dear wore her hands and temper raw cleaning up unsightly messes caused by coils that were still "hot" when they were "off."

Then she switched to wonderful GAS! Boil-overs banished forever! She had 1001 different heat settings at her command. GAS is on and off — instantly.

We've cooked up a special bonus buy on a direct factory purchase. You'll save a fat \$20 bill if you buy this new GAS range today.

You're money ahead when you buy your GAS range from us. We're specialists in GAS appliances, and we service what we sell.

JUDGE COMMENTS ON YORK CASE VERDICT

GREENVILLE—George Russell natirk, the Greenville store manager who was accused of theft, was found not guilty in superior court, the case having been tried before Bertram D. Janes, judge of the superior court, without a jury.

In commenting on the case the judge said it was his conclusion "based upon the evidence, that there is at least a reasonable doubt whether the defendant ap-

propriated any money or property to his own use . . . It is apparent that inferences, and reasonable inferences, may here be drawn which are at least equally consistent with innocence as with guilt. The defense quite properly has alluded to the correct rule of law which applies in such instances."

"A court which does not convict should not condemn, so I make no comment upon the defendant's culpability apart from the criminal law. It is sufficient to state that upon the evidence and the appli-

ANN POULSEN WEDS PHILLIP MANDEVILLE

KINGS BEACH—Given in marriage by her father, Dr. Russell V. Poulsen, Miss Ann Kristena Poulsen became the bride of Phillip McClure Mandeville at formal evening rites in Reno's Trinity Episcopal Church. The Rev. John T. Ledger was the officiating clergyman and Mrs. Merle Atcheson provided appropriate background music.

Judith Poulsen, twin sister of the bride, was honor attendant and bridesmaids were Joanne Gottschalk and Karen Hunter, both of Reno.

Standing with the bridegroom was Stanley Baker of Lake Tahoe and seating the guests were David Mandell and Mike Murphy, both of Reno.

Hidden Valley Country Club was the reception locale with Mrs. E. V. Gelmstedt and Mrs. D. J. Zucchini assisting at the cake table and Miss Carol Hanson in charge of the guest book.

Followign a honeymoon in San Francisco, Mr. and Mrs. Mandeville will reside in Reno.

The bride is the daughter of Dr. and Mrs. Russell V. Poulsen and the granddaughter of Dr. and Mrs. V. W. Poulsen of Sacramento and the late Mr. and Mrs. Bert G. Raitt of Sparks. She is a graduate of Reno High School and attended the University of Nevada.

Her bridegroom is the son of Mr. and Mrs. James J. Mandeville of Kings Beach. He attended school at Lake Tahoe and is now on active duty with the United States Air Force.

CIVIL DEFENSE MEET HELD AT TAHOE CITY

TAHOE CITY—A civil defense meeting was held Wednesday, June 27, at the Tahoe Inn, Tahoe City.

Speakers Dean Pratt, Placer County civil defense director, Mrs. Margery Tully, assistant coordinator of women's activities division of California and Mrs. Geneva Burke, womens coordinator of civil defense in Nevada, gave interesting talks on this vital subject and its need here. Mrs. Florence Brown, womens civil defense coordinator of Tahoe area of Placer County, also state chairman of civil defense for the Emblem Club presided at the meeting.

Clubs represented at this meeting were Tahoe Squaws Hospital Auxiliary, Soroptimist, Firebells of North Tahoe, Women's Club of Tahoe City and the Emblem Club.

Plans for a local civil defense committee were discussed, also ways to present the need of civil defense in this area. Mrs. Sherri Helms of Tahoe Park, was named chairman pro tem for a formation of a women's council of civil defense.

Further meetings will be held this fall.

TAHOE SAILOR ENDS HELL WEEK TRAINING

CORONADO, Calif. (FHTNC)—Wayne L. Ford, seaman apprentice, USN, son of Mrs. Stella E. Ford of Tahoe City, recently completed "Hell Week" in the Navy's underwater demolition training program at the Naval Amphibious Base, Coronado.

"Hell Week" is the fourth and most rigorous phase of the 17-week training period.

Dubbed "pollywogs" by the more experienced frogmen, the volunteers undergo rigorous training and have the option to drop out of class any time they choose.

The week includes team racing in soft beach sand carrying a 500-pound log, long crawls through obstacle courses while mines explode nearby and swimming through a thick mud pool.

The course is designed to select men who will be able to perform their missions as frogmen in spite of tremendous stresses. Frogmen specialists perform reconnaissance, mine removal and sabotage missions.

Thirteen weeks of training remain after "Hell Week." Graduates of the course are assigned to one of the Navy's two Pacific Fleet underwater demolition teams.

BRUCE QUARTLY NOW WITH TRAVIS GROUP

Air Force Reserve Captain Bruce M. Quartly of Truckee has joined the 8421st Air Force Reserve Base Support Group at Travis Air Force Base.

Captain Quartly, a vehicle maintenance officer in the reserve, came to his new assignment from a post with the 9368th Air Reserve Squadron, Reno. In civilian life, he is with the California Division of Highways as a road maintenance equipment operator.

His new unit, composed of air force reservists from all over northern California, is designed to augment regular air force units at Travis in the event of a national emergency. Members of the organization train one weekend per

ing touches and he was very gracious in commenting on the new facilities and the plans for further expansion.

Noted Juliet Prowse, Richard Conte, Dick Shawn, Danny Kaye, Patti Page and husband, Charles Carren, Butch Powers and ex mayor Dilworth of Philadelphia who is running for governor, in the audience.

Matty Melneck is back at Cal Neva with his orchestra from Los Angeles. Spent the winter touring New Orleans and Philadelphia being on the itinerary.

Women's Club of North Tahoe has scheduled their second annual fashion show on July 12, Thursday, at 12:30 p. m. The event is a benefit for the north shore fire departments. Joseph Magnin will show the clothes, as announced by Women's Club president, Mabel Coulter. Pearl Kientz is chairman.

Jacquie Black is liaison for the club and in charge of models. Models are Ruth Burris, Virginia Flagg, Zoe Ann Jensen, Mary K. Malley, Mary T. Malley, Ruth West, Marilyn Boatman, Bernice Franklin, Pat Baker, Pat Crow, Betty Jeffrey, Kay Felte and Mary Lynn Welch.

Betty Stoddard of KOLO-TV Channel 8 in Reno will be mistress of ceremonies. Joan Alford of Joseph Magnins will commentate the show.

Reservations may be made by phoning the North Shore Club after tickets have been obtained. Tickets may be purchased from any member of the club or by phoning Louise Walter, LI 6-2131 or Bethel Van Tassel, LI 6-3842.

DONNER DOINGS

By MARTHA PANKOKE
Phone LUther 7-3076

In answer to many questions: that beautiful little sail boat at the end of our pier does not belong to us, but we sure would love having it. It is the property of Dr. Jack Walsh of Eureka. Jack has a home at Squaw Valley and is a

regular here at Donner Lake with his family. He and the Pinkhams, also of Eureka, have been having a wonderful time, between water skiing and sailing. Jack's wife Mary and that whole wonderful family plus Mary's father John Ivancich, who is well in his 80's and spry as the grandchildren, spent the week here. They are a really happy gang to have around and always enjoy them.

The Roscoe Richardsons spent the week sprucing up their cabin for the summer. Ivy and Ross,

as we know them from the old coffee shop days live in El Cerro, but spend every minute they can here in the summer. Also here for a few days were the next door neighbors the Millers from Folsom. You can bet our little ole neighborhood was really buzzing with activity this week.

A little farther down the lake Dr. Carroll arrived last weekend sporting a new sail boat. It seems Donner is getting to be quite popular lately with more and more sail boats on the lake. I had my first sail and believe me it is a real thrill. Dr. Carroll has a summer home here and he and his wife Ruth and family spend a good deal of time here. Doc will be returning to San Francisco, but Ruth will keep the home fires burning here for most of the summer this year. The Fred Johnsons arrived back this week after spending two weeks in the bay area. They attended a wedding at Orinda and then Fred and Mildred helped son Gordon build a lanai on his home in San Jose. Robbie deserted his family and visited friends in Berkeley.

Speaking of these busy vacation days, it might be well to warn local people who have visitors from elsewhere of the dangers of the lake. Not only is the water quite cold in comparison to lakes in other warmer areas, but very deep. Last

Sunday was an example of just this type of thing. A young girl was

swimming too far out and got in real trouble. Had it not been for the efforts of a row boat, a speed boat and Dr. Carroll's sail boat it could have been a real tragedy. They managed to get her in the speed boat and to shore apparently alright. But not only is the lake a place to respect, but the highway from the base of the summit to the State Park especially. We do have a speed limit posted in this area, but the cars constantly go too fast and follow to close, causing many hazards.

Last year, when the workmen started on the freeway project, the drone of the heavy equipment became almost unbearable at times, especially on warm nights. Since the long layoff recently and the "droning" has started again, it has become one of the nicest sounds I know. In spite of the fact we aren't in that business, it was beginning to tell on everyone around here and now that work has started again we can all relax a little more.

Golly...the Fourth of July has come and gone and that only means one thing: summer is slipping by much too fast. I know I

STAMP WILL HONOR FOUNDER OF MISSIONS

A commemorative postal stamp recalling the birth 250 years ago of the famed Spanish missionary, Father Junipero Serra, founder of California's chain of missions, has been recommended by U. S. Senator Thomas H. Kuchel to the post office department.

Noting that Father Serra planted "seeds of a colorful, cosmopolitan civilization," the senior California senator wrote Postmaster General Day that such a special postage issue would bring to national attention the role of the Majorcan cleric played in colonizing the territory won in the treaty which ended the Mexican war.

BURNING TRASH CAN TURN YOUR FOREST TO ASH!

Before you leave a fire—any fire—please be sure it's out. Dead out.
Even a slight breeze can carry a spark from an innocent fire. All too often
the result is a disastrous forest fire.

WHEN YOU BURN (1) Check local regulations (2) Be sure fire can't spread
(3) Don't burn on dry or windy days (4) Never leave a
fire unattended.

Remember—only **YOU**
can prevent forest fires!

CRIME RATE GAINS MOSK REPORT SAYS

SACRAMENTO — (CNS) — At-
torney General Stanley Mosk has
reported that the crime rate in
California climbed another 4.5 per
cent during the first six months of
1961 but said this indicates serious
criminal activity in the state is re-
maining at a relatively constant
level.

Mosk said crime during the first
six months of 1961, while up from
the first six months of 1960, was
not as high as during the last six
months of 1960.

Mosk said law enforcement offi-
cers of cities and counties are
"doing a most competent job."

"Mobile get-away techniques
and facilities in a transient and
migrant population have increased
the opportunities of those with
criminal tendencies, and increased
the problems of our police and
sheriffs," Mosk said.

Mosk said a total of 129,759
major felony crimes were reported
in the first half of 1961, or 796.1
per 100,000, as compared to 761.6
per 100,000 in the first half of
1960. The reports of felonies in
the seven major offense groups
for the first half of 1961, and per-
centage change from 1960 includ-
ed: Burglary, 73,994, up 6.6; auto
theft, 25,697, up 2.8; grand theft,
not auto, 11,633, up 3.5; aggravated
assault, 9,440, down 1.1; robbery,
7373, up 1.9; forcible rape, 1,342,
down 3.7; and wilful homicide 280,
down 4.4.

MOTORISTS IGNORING HIGHWAY SIGNALS

"Too many motorists are either
ignoring or improperly using re-
quired driving signals," California
Highway Patrol Commissioner
Bradford M. Crittenden declared
today.

"The only means available for
communicating with other drivers
or pedestrians sharing the road-
ways are stop lights, directional or
arm signals, the horn, and the
manner and position in which your

vehicle is operated.

"Modern driving conditions de-
mand that each motorist use ap-
propriate signals to indicate an
impending change in direction or
deceleration, and such signal, to
be effective, must be clear and
easily understood," the commis-
sioner added.

"The law requires a continuous
signal during the last 100 feet be-
fore turning left or right. Beyond
this, however, it also forbids a
change in direction upon a road-
way until it may be accomplished
with safety.

"Motorists who fail to use proper
signals are not only subject to ar-
rest, but are also contributing
heavily to the frustrations of
everyday driving," he concluded.

1,154 PASSENGERS IN CARS KILLED IN YEAR

Last year, 1,154 innocent people
—persons who had no control over
their fate — met death on Cali-
fornia's highways. They were pas-
sengers in vehicles involved in
fatal accidents.

"They literally were driven to
their deaths by someone else," said
Highway Patrol Commissioner
Bradford M. Crittenden.

"Perhaps too little emphasis has
been placed on the responsibility
assumed by drivers when they
have others in their vehicles.

"The violations, the thoughtless
acts of a careless or inconsiderate
driver imperil not only himself.
They jeopardize the lives of his
passengers, persons who have no
way of protecting themselves.

"The only thing that stands be-
tween life and death for those who
ride with you is your attention to
the vital task of driving your car.

"Compliance with law, patience
and courtesy—these are the marks
of a driver who makes safety more
than a goal; he makes it a reality
for both himself and those who
share his vehicle."

POWER TODAY Costs You Less in 1962 Than It did in 1942

A kilowatt-hour of electric power actually
costs you about 30 per cent less today than
it did in 1942.

Had the prices of electricity risen at the same
rate as other consumer prices, you would be
paying 80 per cent more per kilowatt-hour
than in 1942.

You would be paying about two and one-half
times your present electric bill.

PROTESTING POSTAL RATE INCREASES, pretty secretaries gave up their lunch hour to pass petitions among San Franciscans strolling and resting in a downtown park. Postal Bill H.R. 7927, to raise rates on first, second and third class mail plus air mail, is now before the U.S. Senate. If passed, many of the country's cultural and worthwhile publications may die while trashy periodicals which cannot be mailed will flourish. The letter-hat worn by the girls suggests sending your opinion on this bill to your Senator, Senate Office Bldg., Washington, D.C.

COUNTY DECLARED BRUCELLOSIS FREE

SACRAMENTO—State Director of Agriculture Charles Paul an-
nounced that, as a result of testing
of cattle, six counties, Butte, Mo-
doe, Nevada, Sutter, Yolo and
Yuba, have been redeclared mod-
ified certified brucellosis areas by
the federal and state departments
of agriculture.

Certification, granted jointly by
the United States Department of
Agriculture and the California De-
partment of Agriculture, indicates
that brucellosis exists in less than
one per cent of the cattle and five
per cent of the herds in the area.

Since state-wide brucellosis test-
ing of all cattle began in 1957,
only Orange County remains to be
certified.

Twenty-one counties have been
recertified at the termination of
the initial three-year certification
period.

VEHICLE LICENSE FEES RETURNED TO COUNTY

SACRAMENTO — (CNS) — Nevada County has received \$19,928 as its final apportionment for 1961-62 from motor vehicle license fees.

State Controller Alan Cranston said the license fees are apportioned on a population basis, half to the cities and half to the counties. The total distribution for the June apportionment was \$29,957,092, bringing the total for the state during the 1961-62 fiscal year to \$123,578,653. This was up some \$4.5 million from the previous year.

Vacationing—

Coming in time for the glorious Fourth of July, the Victor Costa family of Oakland is vacationing in Tahoe City.

Hunter's Day—

Mr. and Mrs. H. E. Hunter have arrived at Donner Lake from Alameda in time to celebrate his July 3 birth date in the mountains.

The total June apportionment for the state actually was \$115,692,408 but \$85,735,318 of this was distributed during April under an advance system.

GREYHOUND TO HALT SERVICE TO VALLEY

SAN FRANCISCO — The California Public Utilities Commission today authorized Western Greyhound Lines to discontinue operation of regular schedules from Truckee to Squaw Valley and Tahoe City during the winter.

At the same time it authorized the Las Vegas-Tonopah-Reno Stage Line, Inc., to extend its operation from Tahoe City to Truckee on an all-year regular route service. The Las Vegas bus company now operates a regular schedule around the north end of Lake Tahoe from Reno to Tahoe City.

The commission also approved fares of Las Vegas as follows: One way between Tahoe City and Squaw Valley, 50 cents; one way between Tahoe City and Truckee \$1; minimum fare between intermediate points 25 cents. The Las Vegas bus line application for extension to Truckee was filed at the request of the Tahoe City-Squaw Valley Convention Association.

The order becomes effective July 22.

The two bus lines were authorized to establish joint fares for through service, at the same rates as present Greyhound local fares, to provide bus service from Tahoe City, through Squaw Valley, to Truckee and via Greyhound from there to any point it serves in California. The through service will extend as far as the California-Nevada state line on the east.

Greyhound is authorized to operate regularly between Tahoe City and Tahoe Valley, at the south end of the lake, during summer months only, as at present, and the same authorization is extended to the Squaw Valley and Tahoe City route from Truckee. Special operations over these routes may be conducted by Greyhound at any time of year.

COUNTY RICHER FROM SALES TAX FOR YEAR

SACRAMENTO — (CNS) — Local sales taxes of \$58,274 were distributed to Nevada County and its cities during the second quarter of 1962, the state board of equalization reported, bringing the total distributions for the 1961-62 fiscal year to \$278,715.

Of the second quarter distributions, \$37,101 went to the unincorporated area of the county. For the fiscal year, the unincorporated area of the county received \$176,088.

Revenues for the county as a whole were up during the 1961-62 fiscal year by 6.5 per cent from the previous year.

For the state, taxes collected during the first quarter, which were distributed during the second quarter totaled some \$57 million. Second quarter allocations were \$4.3 million higher than those for the same period.

STATE BOND ISSUE TO BE ON BALLOT AGAIN

SACRAMENTO — (CNS) — California voters will have the chance to prove at the November election whether they mean what they said in rejecting a \$270 million bond issue for higher education and state construction needs.

With only one vote to spare, the assembly has approved the second try bond issue sponsored by Governor Edmund G. Brown. The measure is in the same amount and for the same purposes as Prop. 3, the bond issue rejected by primary election voters by a 2-1 margin.

The title and several minor provisions have been changed in the hope of the administration the people might reconsider their unfavorable June vote.

July 1 Mr. and Mrs. William Raber of Floriston welcomed a son, born at Reno, Nevada.

NOTICE OF FINAL HEARING ON 1962-63 BUDGET

NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of Nevada, State of California will meet on July 16, 1962, at the hour of 10:00 A. M., in the Chambers of said Board in the Courthouse in Nevada City, California, for the purpose of considering the Final Budget for the County of Nevada for the fiscal year 1962-63.

Copies of the Preliminary Budget are available to the Taxpayers requesting them, in the County Auditor's Office, Court House, Nevada City, California.

Any taxpayer desiring to appear before said Board of Supervisors can be heard regarding the increase, decrease, or omission of any item of the Budget, or for the inclusion of additional items, is invited to do so before final approval is ordered, which said final approval must be given, according to law, on or before August 31, 1962.

JOHN T. TRAUNER, County Clerk and Ex-officio Clerk of the Board of Supervisors, County of Nevada
